(Please Go to Pages 3 and 4 of This Order Form If You Need More Space)

- This is a nine (9) month subscription which you can use over a fourteen (14) month period of time—taking months off as needed (i.e. skipping “summer” or “December” and then resuming again). This way, you can start anytime, stop, and then resume again with the very same subscription.
- One “Site Representative” at your school, district, or program goes “online” and downloads the newsletter (via special username and password) and can **make copies/reprints of the newsletter** to distribute.
- **ALSO:** Your subscription allows you to use *The Down To Earth Dad* newsletter **articles** and artwork in your **own** newsletters and/or other publications each month (in addition to making all those “copies” mentioned above). A special online *Article Delivery System* is made available to your school, district, or program for this purpose, so you can simply “cut-and-paste” articles as desired. A Site-License Agreement is e-mailed to you when your subscription is processed.
